

MISSIONAL *Partners*

Infusing missions in your ministry is easy. Each group can select one non-profit ministry to "adopt" and partner with for at least one six-month period or semester. The frequency of involvement will be based on the needs of the ministry and the amount of time that can be fairly designated to the site. Teenagers might want to brainstorm/research local ministry opportunities.

Partner suggestions:

- Adopt a people group, area/region of the world, a missionary family, etc.
- EBO sponsored ministry site - (contact Kentucky WMU for information)
- Children's home/orphanage - (contact Sunrise.org for ways to get involved)
- Community center/Baptist center - (Send Relief has a wide variety of ministries, to choose from, go to sendrelief.org/projects)
- Food Pantry/ Hunger Ministry Sites
- Pregnancy Crisis Centers
- Mentoring Programs
- Nursing Home
- Clean Water Ministries
- Work with local/Kentucky Missionaries on Projects i.e. Kentucky Changers
- Partner with your local Baptist Collegiate Ministries
- Adopt a Kentucky MSC Missionary (get connected through the KBC Missions Mobilization Team)
