Who? IS ELIZA BROADUS?

What? DOES SHE HAVE TO DO WITH MISSIONS IN KENTUCKY?

I thought you might ask that! I was actually born in Virginia in 1851. We moved to South Carolina where my father took a job as seminary professor. (A seminary is a school for pastors, missionaries, and other church leaders.) When I was 26, I moved with my family to Louisville, Kentucky. My father became a seminary professor at the Southern Baptist Theological Seminary. He later became the seminary president.

I was involved in something called missionary societies. These societies, or groups, prayed for missions and collected special offerings to support missions. During that time, women who attended seminary classes did not have a place to stay on campus. I helped establish the WMU (Woman's Missionary Union) Training School for women.

In 1913, I led KentuckyWMU to take an offering for missions in Kentucky. In 1975, KentuckyWMU named the offering after me and called it the "Eliza Broadus Offering for State Missions." This offering is taken each September to help missionaries in Kentucky share the Good News of Jesus' love.

I don't think of myself as a super hero, but just for fun, follow me as I fly around Kentucky. We'll learn how KY-MSC Missionaries are sharing the Good News of Jesus all over Kentucky!

Amy Wilhelmus is the MSC Missionary at the Moore Activity Center (MAC) in Covington. It is a ministry of South Side Baptist Church. It is located in what was formerly the Salty Dog Saloon.

"I believe I am exactly where God wants me. When I left Covington for college, the one place I said I did not want to serve was my hometown. However, God used each place I traveled to prepare me for what I am now doing. I love watching God at work. He is doing great things both in and through me, which I am honored to say. God has given me a great group of people who help in the ministries at the Moore Activity Center. I love the people of Covington. I love that God has a plan for my life and that I am right where I am supposed to be."

Lots of volunteers help Amy share the Good News at the MAC through fun and helpful activities.
