## Awaken

passion for God's glory

It all starts with an awakening and a wrestling with the character of our Father. But how do we seek those encounters? How do we wrestle with His character? This is the foundation to everything - it all starts with God and who He is.

## Explore

who God made you to be

Foundations in who God IS is essential for us to dig within ourselves and see who He created us to BE. He has uniquely created every single person - and in that uniqueness, there is a beautiful story being told & an amazing invitation into His Kingdom.

## Focus

your calling

Those foundations of who God IS and how he created you to BE will help reveal some amazing opportunities. Lean into His Spirit and what He is speaking to your heart. It's here that we dive into how God is unleashing us to take action!

## Prepare

to accelerate action

This section is for you to identify where you can better prepare yourself to be unleashed. Don't allow some pieces of preparation to keep you from being well engaged today. It's a great thing to be preparing ourselves now so we can be even more unleashed in the future.
