

Engage the Unreached Online - Kristie

In the parable of the "Shrewd Manager" (Luke 16:1-13), Jesus encourages his followers to use the tools of the day to spread His Kingdom. Today we can use social media, forums, and online English courses to help the unreached Discover God's Word. This workshop will contain stories of ordinary people intentionally sharing Jesus.

Going & Sending: Partnering Well with a Missions Agency - Phil Smith and Tim Stapleton

Believers in persecution resist the Western viewpoint of pity and rescue. Our time will be spent sitting at the feet of those persecuted, interacting with the non-negotiable foundation of crossing the street and the oceans within a biblical foundation.

Spiritual Warfare - Paul Covert

Are you ready for specific practical teaching on spiritual warfare? Paul Covert teaches on the subject nationally in clear and tested ways. He will be answering questions like: How do you close doorways to Satan? How can you tell if something is spiritual warfare or not? How do you handle strongholds?

2:00 pm

Discipleship in the Age of Artificial Intellegence - Andrew H

Artificial intelligence is reshaping how people learn, create, communicate, and seek spiritual guidance. How might we steward this new capacity toward multiplying obedient disciples and fulfilling the Great Commission in this generation? In this workshop, we'll explore how AI can equip ordinary believers and remove barriers to disciple-making.

Divine Appointments - Dean Trune

God provided divine appointments all the time. These are people that He puts in our path in order to encourage and/or pray for them. This workshop will help you recognize divine appointments, show you how to handle them, and share some examples where God moved supernaturally.

Unleash the Power of Multiplication: 8 Intentional Shifts - Andy Sims

Without multiplication, God's mission is impossible. If you feel stuck trying to make "your way" work, there's hope. The way of Jesus is counter-intuitive, but it works. In this session, we'll explore 8 intentional shifts required to become a multiplier. Then, we'll actually practice some rhythms to get you started.

Not Delayed, but Formed: Faithfulness and God's Purpose inthe Waiting - E.K.

In missions and ministry, we often celebrate the call and the breakthrough—but rarely the long, hidden seasons in between. What does faithfulness look like when support is slow to raise, doors remain closed, and everything just feels challenging? Together we will look at Scripture and consider how God is at work in times of waiting.

Risk Management - Jon Ralls

In one hour, we'll cover: how to think about threats based on your context (not someone else's), the five most common failure points for workers in sensitive regions, and a simple risk assessment you can run with your team next week. You'll leave with a one-page checklist and a clear picture of what to fix first.

Key Considerations to Increase Integrity When Operating Internationally - Julie Beasley

Join leaders of ECFA as we engage on the topic of building trust and integrity when operating internationally. If you spend or spend funds internationally there are several key considerations you don't want to overlook. This workshop will provide helpful content to ensure you are following laws and regulations and also give you the opportunity to learn from your peers on how they contextualize accountability when working internationally.
