

myMISSION CHAPTERS

Women who live on mission.

myMISSION groups on a college campus are referred to as **myMISSION Chapters**. A myMISSION Chapter provides a community for Christian women to gather around a common theme: missional living. It's like a cross between a small group Bible Study, a prayer group, and a missions organization. All with a "sisterhood" atmosphere!

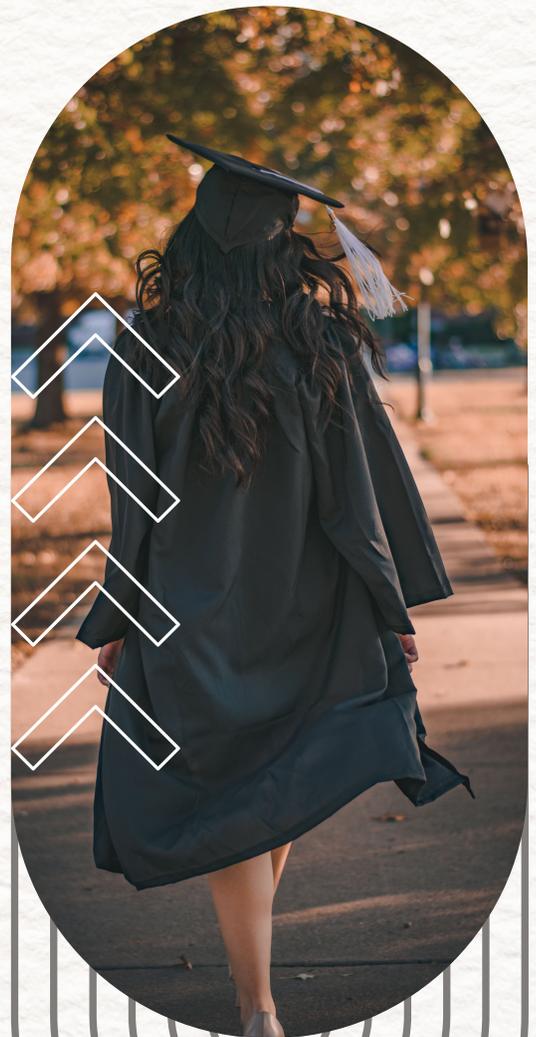

Members of myMISSION intentionally engage in:

- Discipleship
- Social Transformation
- Fellowship
- Encouragement

We encourage groups to relate to their local Baptist Campus Ministry as a women's small group. If you seek to register your group as a student organization, please use the purpose information on the back of this page to organize your group.

Want to start a group?

- Gather a few friends to start the group.
- Share the purpose.
- Plan and do a mission project.
- Have a Bible Study.
- Repeat.
