Church Chaperones and Background Checks

CHURCH CHAPERONES

Kentucky WMU requires all children and students participating in **Kentucky WMU events** to be accompanied by church chaperones.

To ensure a safe environment while attending a Kentucky WMU event, church chaperones must:

- \checkmark be 21 years of age or older.
- \checkmark pass a background check conducted by the sponsoring church.
- \checkmark be a member or regular attender of the sponsoring church.
- \checkmark be in good health and physical condition.
- \checkmark be a non-smoker (this includes vaping).
- \checkmark set a good example for participants in speech, dress and conduct.

BACKGROUND CHECKS

In recent years, churches, state conventions and organizations like Kentucky WMU have recognized the need to be more proactive in protecting our children and students from harm. Background checks provide information about any reported criminal behavior, allowing organizations to make responsible decisions about who should and should not be allowed to work with students and children. Kentucky WMU is requesting that our sponsoring churches conduct their own background checks on potential church chaperones. The church coordinator should then complete the Acknowledgement and Assurance Form. (See attached.) This form should be signed by the pastor and church officer or trustee.

Individuals not listed on the **Acknowledgement and Assurance Form** will not be permitted to serve as chaperones. Churches and Kentucky WMU both benefit from knowing they have suitable volunteers.

For more information on conducting Background Checks on your chaperones visit:
